Dear Parents and Guardians,

Some of you have been enquiring in the class and subject groups, as to when the books & uniforms will be available and where to pay the fees.

Please understand that due to the lockdown enforced by the Government, the office is currently closed.

Once the lockdown is lifted, we will intimate you through SMS, website notice as well as announcements in the Class WhatsApp groups and the Subject Teachers' WhatsApp groups, as to from which date the office will be functional to collect fees and the books will be distributed from the school.

Arrangement for payment of fees through the School App is under process and will be available soon. Kindly check the school website for updates.

Till then, we request you to be patient and kindly manage with whatever resource material is made available to you online and on the WhatsApp Subject Groups by the Teachers.

Thank you. Stay safe.

Regards

Mrs Sanchita Biswas  
Principal
